

# Landonline: System/Shared Dataset

Title	Landonline: System/Shared Dataset
Creator	LINZ - Land Information New Zealand
Date	2013-04
Description	<p><b>**Please read:**</b> This dataset is comprised of multiple layers and tables from the [Full Landonline Dataset](<a href="https://data.linz.govt.nz/group/full-landonline-dataset/">https://data.linz.govt.nz/group/full-landonline-dataset/</a>) and is designed for use only by data professionals who require the complex version of our property ownership and boundary data for advanced uses. For simplified versions of the more commonly used data, see our [simplified data layers](<a href="https://data.linz.govt.nz/data/category/property-ownership-boundaries/">https://data.linz.govt.nz/data/category/property-ownership-boundaries/</a>). ***** The dataset includes data related to the administration of Landonline data. They are generally small in size and are typically those which are required by more than one dataset. This dataset enables you to download multiple layers and tables at the same time. Please refer to the [LDS Full Landonline Data Dictionary and Models](<a href="https://data.linz.govt.nz/document/11095-lds-full-landonline-data-dictionary-and-models/">https://data.linz.govt.nz/document/11095-lds-full-landonline-data-dictionary-and-models/</a>) for detailed metadata about data in this dataset.</p>
